THE TOUR:

Celebrate the outlook for 2020 with JoburgPlaces. Join us for a captivating bus tour, taking you to all Charlie and Gerald's favourite secret Joburg places for 2020.

This is a once-off opportunity to experience the most remarkable spaces that the JoburgPlaces guides and storytellers, Charlie Moyo and Gerald Garner, frequent in their free time in the city. These are some of their favourite, personal hangout spots and a unique opportunity to see the city and its astonishing spaces and places, through the eyes of Charlie and Gerald.

"2019 was no easy year in downtown Joburg with many iconic inner-city places closing down – from

Canteen and Che Argentinian in Maboneng to the Forum at Turbine Hall, the Potato Shed in Newtown and Love Foods in Braamfontein (to name but a few). However, thankfully many new places have also come on stream, showing the way for another decade of inner-city regeneration and repurposing once forgotten spaces. It is our aim to celebrate the best of future of the inner-city on this tour," explains Gerald Garner.

The tour starts at 1:30pm at the Thunder Walker's Zwipi Underground (an astonishing dining space in an old bank vault, operated by JoburgPlaces. From here we travel to a remarkable new brewery in Newtown and the to the migrant heart of the city. Next we check out some street art and cool spots in town before heading to the most spectacular rooftop in all of Jozi for sundowners. The tour ends at the Thunder Walker's Scatterlings Arcade at 7pm. Guests are welcome to enjoy dinner at the Thunder Walker after the tour.
